ADDITIONAL FEES

OBJECTIVE:

To define additional charges associated with a customer's utility bill.

PROVISIONS:

A. Our self reading method of collecting meter readings requires all monthly customers to read and submit meter reading charges monthly.

   1. A customer may miss one month of providing a meter reading. The computer will generate an estimated usage for bill.

   2. The second month the customer does not provide a meter reading, a Custer Public Power District employee will read the meter and a $25 fee will be added to the bill.

B. Any check returned to Custer Public Power District as non-sufficient funds will have a $12 returned check fee added to the bill.

RESPONSIBILITY:

The Billing Department shall be responsible for administration of this policy.
