

How To Read Your Bill

The amount due and due date are front and center.

These areas print information and messages about your account or the utility.

Energy usage comparisons to the prior month and the same month of the prior year help the consumer gain perspective on their energy use for the month.

Be sure to return the bottom portion of the bill with your payment to ensure proper credit to your account.

Additional information is located on the back of your bill, including what to do when power is out.
